ADVENTURE THE ACTIVE WAY

SO MUCH MORE THAN A GUIDE

Imagine a cross between Bear Grylls, David Attenborough and a Four Seasons Hotel concierge and you'll get the idea of what our guides are like!

WE'RE WITH YOU, EVERY STEP OF THE WAY

Embarking on an adventure always involves getting out of your comfort zone. Our guides are there to take away any worry or stress, as well as handle all the logistics on the trip, so that you can focus purely on the physical challenge of your adventure.

WORLD-CLASS SAFETY

Safety is always a priority when you're exploring the wilderness, and we have an impeccable record. Our guides are trained extensively, have Outdoor First Aid and food safety certificates, and undergo our customized and comprehensive guide training trip.

We've received the World Travel and Tourism Council's Safe Travels stamp and the COVID-Clean Approved logo by Qualmark. We'll follow all ATTA, WTTC and Qualmark health and safety guidelines on all our trips.

AMAZING FOOD TO FUEL YOUR ADVENTURE

Food is such an important part of any trip - and getting the right fuel on an active holiday is crucial. We aim to provide high-quality, local and fresh food for every meal, whether you are in a back-country hut, a remote lodge or a small town. If you have dietarys, that's no worry at all. We cater to almost any dietary requirements.

LOCALLY OWNED ACCOMMODATION

We like to visit some exciting locations by bike, on foot, rafting, kayaking, and canyoning, but we also enjoy our creature comforts.

By traveling with us there's never the disappointment of not being able to stay at that perfect place!

NO HIDDEN COSTS

We have no hidden costs and everything is included. Everything is clearly laid out in our itineraries, so you don't have to do any guesswork.

Other tour operators charge what looks like a really cheap price, but it only covers road transport, a few meals here and there, guides, and accommodation. You can trust us to always be upfront with you.

EXPLORE

SOUTH AMERICA

► MACHU PICCHU, PERU

Meaning “Old Peak” or “Old Mountain” in the native Quechua language, this Incan citadel stands at 2,400 meters (7,880 ft) above sea level along a narrow and uneven mountain vista. Hidden for centuries, its highly remote location makes it feel as if it's floating on a sheet of mist.

► ISABELA ISLAND, GALAPAGOS

The largest in the Galapagos archipelago, Isabela Island impresses with its vast lava fields, arid volcanic peaks and the largest population of wild tortoises on the islands.

► TORTUGUERO NATIONAL PARK, COSTA RICA

The exceptionally high rainfall and rich environment where the freshwater meets the sea make the beaches, canals, lagoons, and wetlands of Tortuguero areas of exceptional biodiversity and opportunity for nature lovers.

► PERITO MORENO GLACIER, ARGENTINA

This icefield is part of the world’s third-largest reserve of fresh water and forms a natural dam to the opposite shore that separates the two halves of Lago Argentino. You won't want to miss the blocks of ice crack off the glacier’s imposing face and fall into the pastel-blue waters of Lago Argentino.

► SACSAYHUAMÁN FORTRESS, PERU

The fortress, meaning ‘House of the Sun’, is where the Incas made their final stand against Spanish conquistadores. This magnificent archaeological site represents a set of jaguar's teeth with massive, perfectly fitted stones.

► LOS CUERNOS, CHILE

Spanish for ‘The Horns,’ Los Cuernos are three fantastically sculpted grey and white sedimentary and granite peaks that rise in dramatic contrast to the turquoise lake below.

► SAN CRISTOBAL ISLAND, GALAPAGOS

There are a number of renowned dive and snorkel spots off the island's coast including Kicker Rock and Isla Lobos ideal for spying on wildlife in and out of the water.

► LAGUNA DE LOS TRES, ARGENTINA

It's hard to imagine the views of the brooding Fitz Roy massif could get any better, but if you choose to make the steep climb up to Laguna de Los Tres, you'll be rewarded with close-up views of Monte Fitz Roy looming above a glacial lake.

“

The hike on the Lares trek held more wonder and beauty than I expected. I am 67 and the hike was a challenge for me but with perseverance and encouraging words from Gustavo and the group, I did amazingly well. Our porters had our campsite ready and the food was outstanding (and for me too much) both on and off the trail.
